Wild Jack's Casino ET AL.

Defendant.

Your Case No. CV 11-00063-H-DWM-RKSMOTION FOR Appointment Counsel
(name of your motion describing what you want the Court to do)I, William SHRIVER, respectfully request that the Court enter an Order
(print your full name)that does the following: THE US. DISTRICT COURT to
appoint an attorney OR Request the services
of a volunteer attorney.BECAUSE We TRyed To get many Attorneys on
our own, But we can't afford one for
what they charge. And as soon as you
tell them its a ADA discrimination case,

They don't want to handle it. And I only have a 10th Grade Education. I don't understand what I'm reading. Because of this that's why I'm ended up going to the 9th Circuit Court. And with not understanding it cause me stress and tension, with my I.P.F. my oxygen levels are all ready low. I'm afraid of having another stroke. I had one five year ago.
